

Private Dining at Spring 2022

Spring

Spring brings warmth and elegance within a beautiful dining space set in the New Wing of the iconic Somerset House, in the arts and cultural heart of London. At Spring we are incredibly fortunate to have established a unique relationship with Jane Scotter of Fern Verrow biodynamic farm – whose beautiful produce grace our tables throughout the year. At Spring we celebrate for its conviviality and the simple joyfulness of sharing seasonal produce. Skye's cooking is heartfelt, unfussy, wholesome and produce driven. The food itself is cooked by a team of people who are passionate about what they do and who feel truly privileged to work with such beautiful ingredients. We hope to create an experience which not only sings on the plate but lingers in the memory.

The Salon

Our garden dining room sits in an enclosed interior atrium, allowing for dining throughout the year. Cloaked by Black Olive trees with flora and fauna designs by acclaimed landscape designer Jinny Blom, the garden is a truly special dining room. Guests can experience the same warm and considered service, simple, seasonal and produce driven food as the main dining room, in a more private and intimate setting. The garden can accommodate up to 36 guests depending on configurations for breakfast, lunch or dinner. Our florist, Jam Jar flowers can work with you to create bespoke flowers for your event or we have our own beautiful flowers from Fern Verrow farm in Hereford. Use of the room would be subject to the main dining room reservations time and allocations.
